an expression of organization . . .

In every facet of life, people are striving to express themselves, to be themselves, to show their originality. Some are artists, some are actors, some are politicians. There are athletes and teachers, chemists and home planners.

Norwalk High has its own 1,900 individuals, each trying to be himself. Each strives to find his own personal method of expressing his feelings to others. And each is witnessing the other 1,899 doing the same.

We, of the EL LANCERO staff, have tried to express the feelings of the entire student body, faculty, and administration in a pictorial history of the 1968-69 school year. We have tried to include every form of expression that any individual has attempted. We have tried to stress the importance of being oneself, of having "a time for expression."

Senate and S. B. Cabinet plan progressive year

The Norwalk Senate and the Student Body Cabinet have worked hard to make the 1968-69 school year successful.

The Student Body Cabinet, representative of the entire Student Body, worked hard to make this year Norwalk's best. They received help and encouragement from their advisor, Mr. Korzen.

Striving to make this year better than past years, the Senate worked with the Cabinet and Mr. Beckett to alleviate the problem of keeping the campus clean. Through their efforts and others, trees were planted in the snack area. The Senate, presided over by Patty Tsubokawa, passed a bill lowering the requirements for a Senator, but the bill was vetoed by the Cabinet.

Each a princess, One a queen

Homecoming 1968, an entire week filled with surprises and fun. An apple bobbing, banana eating, egg throwing, cracker dropping, bean race of laughter. The snack contest champions, Deanna Egger and her escort Tom Sass. Each day a presentation of a necklace and corsage was made to the reigning princess of the day. Friday brought an enthusiastic crowd ready for the big game after a spirited assembly, pantomiming the theme "Up, Up and Away." Then the night arrived. Tense, but filled with excitement, each princess circled the track before the half-time ceremonies. Each was nervous but radiant with happiness. The long pause became almost an eternity before Lynne Bottema was named Homecoming Queen 1968. A crown, a bouquet, and the traditional kiss from S. B. President, Louie Albidrez, began the memories for Lynne as she happily led her court off the field. Later Lynne and her Court reigned over the Homecoming Dance, attended by NHS students and alumni.

The highlight of the evening ended with a congratulatory kiss from S. B. President, Louie Albidrez.

Lynne and Jim pause a moment before approaching the field and announcement.

The Banner Carriers are responsible to identify Norwalk High School to the judges and spectators during performances and parades. The Majorettes march just behind the Banner Carriers during a parade, and they are in competition with all other majorettes attending the parade. It takes a lot of hard work and skill to place high consistently, but the Majorettes usually take first place in their division.

Mr. Charles Lansdown
VOICE Advisor

Fifteen hundred copies of the VOICE are ordered from the printer every other Thursday to be distributed free to the student body. Fifty copies are set aside to be made into bound issues. Some of these are given to VOICE staff members and others are sold on a first-come first-serve basis to any student. Copies are also put in the permanent files in the office.

Several copies of the VOICE go into circulation with other schools. When the VOICE staff receives an issue from another school, the staff sends them a copy of the VOICE in return. This enables the schools to keep "in touch" with each other and to get new ideas for layouts, articles, etc.

At snack students all over NHS are reading a copy of the popular VOICE.

Lancerette Drill Team is one of the most active groups on campus. Busy from football season through spring, they represent Norwalk High. Football season is their busiest time because while they are practicing for football halftimes, they are also busy learning and perfecting a parade routine for their parade season. Many times they are found practicing after school until 4:30 or 5:00.

Drill Team has been very active with Pep Squad during the year to increase Norwalk spirit. Busy as they were, they found time to sponsor the Lavendar and Lace Dance and raise money. This year's project was a pickle sale.

Drill Team has consistently placed second in all their parades this year. They attended the Chaffey Parade, Santa Monica Parade, Arcadia Parade, and Junior Rose Bowl Parade. In the spring they entered the Arroyo State Championship and the last performance of the year was the Norwalk Parade.

The night of February 15 found the multipurpose room created into a setting from Spain.

The theme of the Lavender 'n' Lace Ball 1969 was "Moonlight in Madrid," and red was the dominant color seen in the hundreds of roses, the lights, and the very large fan on stage.

The traditional Grand March introduced the 1968-69 Drill Team and Banner Carriers as they stepped into the spotlight then formed an aisle down the middle of the hall. Through this aisle passed each princess and her escort to center front. Nervous but smiling, each awaited the announcement of whom would be the Lavender 'n' Lace Queen. Unsure but happy Lynn Anderson was crowned Queen by last year's Queen Carol Pickrell. The ceremony came to a close with the Queen's Dance and her court.

Also announced were the new leaders of next year's Drill Team. They were Juanita Alva, Linda Willham, Penny Zinnen, and Donna Godwin, Head Banner Carrier.

Donna Godwin was announced Head Banner Carrier. Happily she receives a whistle, a token of leadership from this year's Captain of Drill Team.

Jonna Rabjerg is this year's foreign exchange student visiting from the country of Denmark. She is seventeen years of age and resides with Valerie Norton, one of the junior yell leaders. Jonna is studying languages and hopes to become an interpreter.

Jonna sends these words to her fellow Norwalk High students.

"In spite of extremely hot weather and a different school system, I like it very much here! I realize now that things aren't much different from the ones I'm used to, and that's probably why I feel like home.

"I'm grateful to everybody at Norwalk who made this year worthwhile, and it will always mean a lot to me that I had a chance to spend a year in the U. S."

Chosen from approximately 30 contestants were six finalists. Each member of Photo Club took pictures of two senior girls of his own choice. These were judged by teachers, and the results were as follows:

Miss Photogenic, Laraine Schmidt; first runner-up, Joy Story; second runner-up, Judy Arevalo; third runner-up, Patty Tsubokawa; fourth runner-up, Sherrie Huston; and fifth runner-up, Ellen Campbell.

Is there anyone for a sleighride?

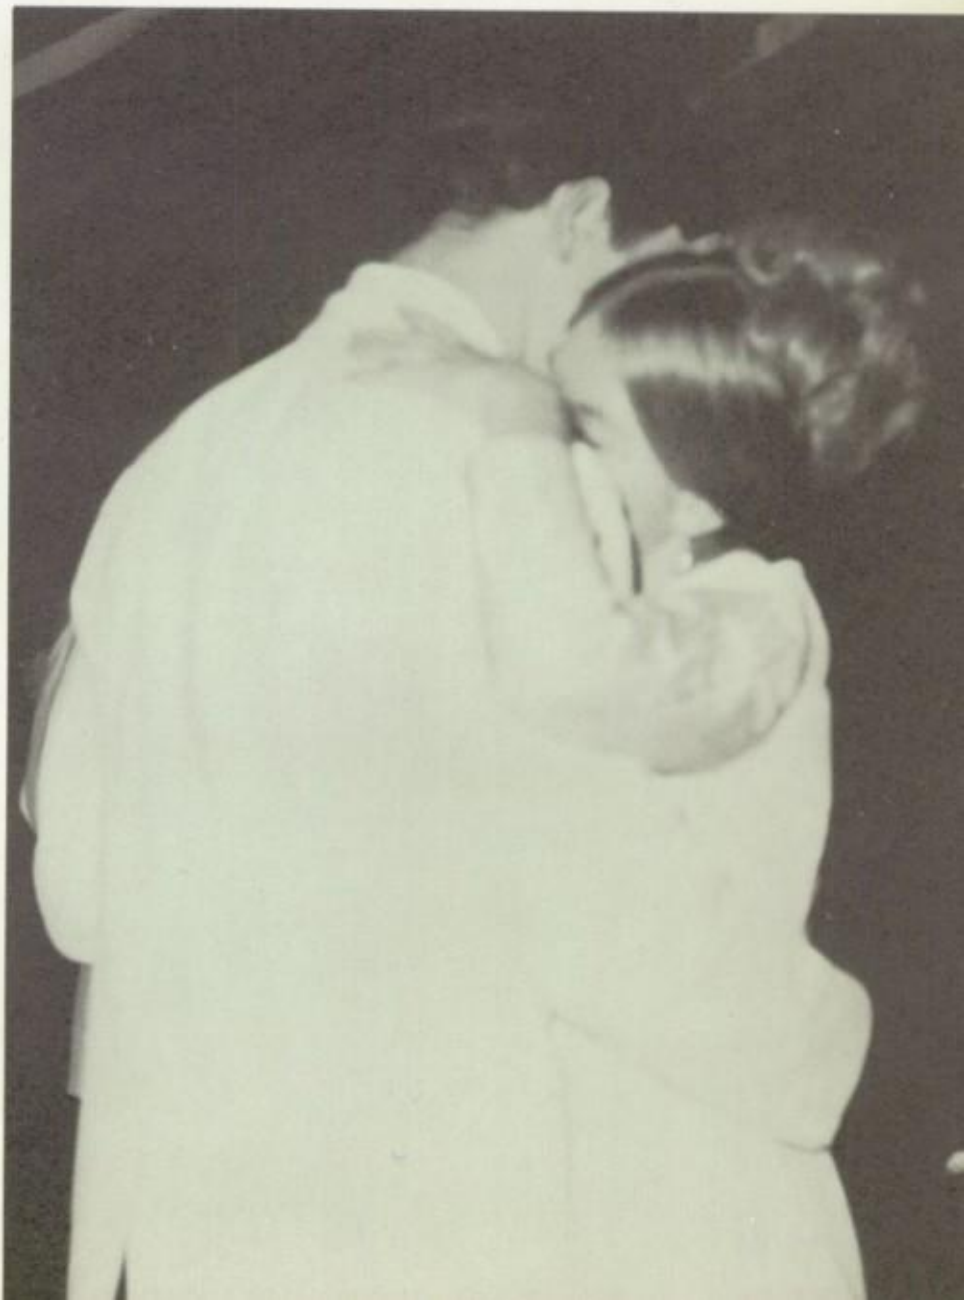

At left are pictured Renee Diplock, Girls' League Vice President, and Christine DeMendoza, Girls' League President, two of the major people responsible for the success of the dance. Below are three of the hostesses for the dance, Lorraine Paskett, Laraine Schmidt, and Gail Haas.

The dance proved very successful. As eleven o'clock neared, the crowded dance floor began to thin and the cloak room became very busy. As the couples left, they took with them a memory as beautiful as a last dance.

Yes, anyone for a sleighride because the theme of this year's Christmas Dance, sponsored by Girls' League, was "A Moonlight Sleighride." Soft lights and a canopy of flowing streamers changed the austere multipurpose room into an enchanting room filled with the atmosphere created by the Ballistics. Pervaded by the spirit of Christmas, the dance took on a new tone as the beautifully wrapped presents, donations for the children at Rancho Los Amigos Hospital, were displayed by the stage in a standard sized sleigh drawn by one ambitious reindeer. The winner of the annual present wrapping contest was Sandy Jones with her yuletide house made of sugar cubes. Couples encircled the tall flocked Christmas tree as they danced through the evening lending a joyous note to the occasion.

PEP SQUAD

Pep Squad, the most enthusiastic group on campus, has rallied the spirit to an all-time high. Mrs. Brunner continued her efforts to improve the group for the second year in the capacity of advisor. All of Pep Squad works hard. Their routines and yells are perfected outside of school.

During their busy schedule supporting team spirit, they find time to prepare for competitions, such as the Teenage Fair and the Arroyo Competition. This year the inventive Lancer Pep Squad reached a peak of imagination. Along with Drill Team, Pep Squad passed out a package of Gorilla milk, a page of poems written by Pep Squad itself, and a balloon to the Varsity Football Squad at five o'clock in the morning. They have helped to make 1968-69 an exciting school year.

VOCAL DEPARTMENT

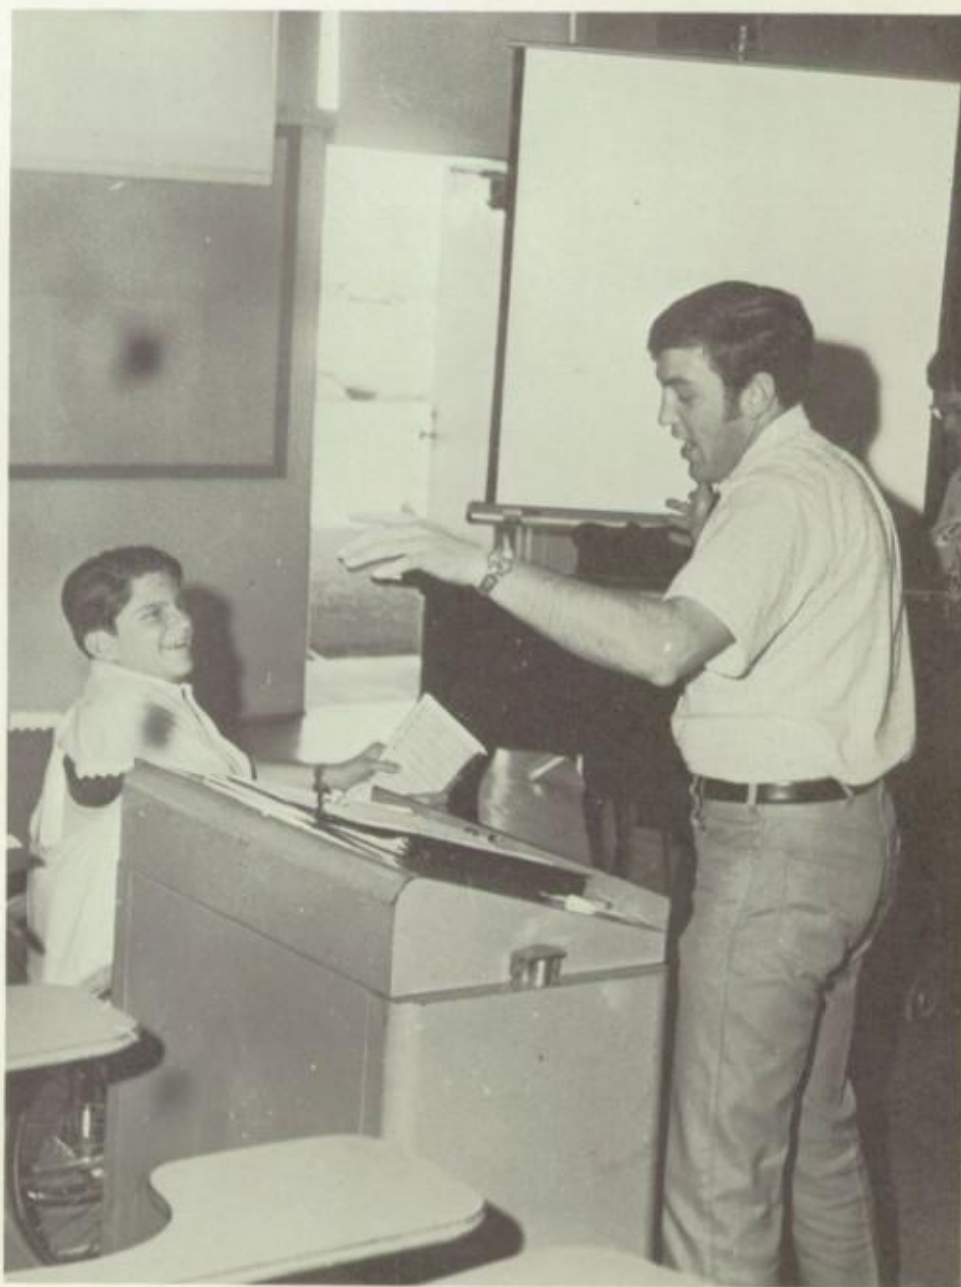

The vocal groups at Norwalk are very active. Mr. Waldmann, their advisor, has worked very hard to make each concert and performance a success. The first performance of the year for all three groups is the Christmas Concert. Long preparation is required before the actual performance.

Girls' Glee consists of girls only, who are interested in singing. A Cappella Choir is the mixed chorus on campus. Audition is required.

Madrigals is the most selective singing group on campus. Audition is required, and membership is limited. This group decides within itself the costumes to be worn for performances. Madrigals were popular during the Middle Ages. The Madrigals on campus are patterned from those ancient groups. It is a group met together to sing for pleasure and entertainment.

Throughout the year each group attends a festival, attended by several groups from the area. This year Norwalk for the first time is combining efforts with LaMirada High. Jointly they presented a Christmas Concert at each school and also performed at the First Methodist Church of Norwalk.

Mark Quijada responds enthusiastically to the direction of Mr. Waldmann.

"Charm," reminisces Mrs. Wingfield, "that's one thing your father had plenty of."

FACULTY CLUB

FACULTY CLUB was organized to promote unity among faculty and administration; to represent, protect, and promote the best interests of the teaching profession; and to widen contacts of the members as well as broaden their friendships.

FTA

The purpose of this club is to learn about the opportunities in teaching, to cultivate the qualities essential in a good teacher, to foster the development of student leadership, and to assist students in meeting the requirements of the teaching profession. FTA has monthly meetings with programs especially designed to help students become better acquainted with the profession of teaching.

Plans for new scheduling are discussed at an English Department meeting.

as well as scholarship

CSF

CSF is a statewide organization that encourages academic scholarship among its members. In order to become a member of CSF, a student must earn at least three A's, one B, and no grade below a C on his semester report card.

In addition to stressing scholarship, the organization placed emphasis on school and community service. Main activities for the year were the Kool-Aid drive, a tutoring program, Christmas baskets, and the "Luau."

DRAMA CLUB

DRAMA CLUB members are responsible for producing the various plays presented at Norwalk High School.

This year Drama Club and Thespians participated in many events such as drama festivals, a Readers' Theatre, and one-act plays. They traveled to various colleges to perform their one-act plays.

Main productions this year were "The Glass Menagerie," "13 Clocks," a children's play, and a comedy, "You Can't Take It with You."

THESPIANS

THESPIANS is a national organization for students interested in drama. In order to become a member, a student must earn a required number of points by participating in various plays.

N.F.L.

N.F.L., one of the most educational and ambitious organizations on campus, provides students with an understanding of debating and public speaking. It develops the character and personality of a student, and it also prepares the student for the future. The ambitions of the organization stem from the desire to defeat other speech squads, to win various awards, and to qualify for the state and national tournament.

This year Margaret Garcia, Beverly Hartt, and Steve Berardino appeared on "The New Society" where they debated the topic "Is Foreign Involvement Necessary?"

Under Coach Black's guidance the speech squads came home with a second-place Sweepstake Trophy from the San Diego Invitational Tournament.

Secretary Mrs. Nancy Clifford helps Mr. Beckett keep his appointment calendar up to date.

The theme of the 1969 EL LANCERO, "A Time for Expression," is very appropriate in that Norwalk High School has expressed itself well during the past year. This expression of accomplishment has been reflected in the great number of trophies and awards bestowed on students and staff in all areas of endeavor.

In keeping with the theme, "A Time for Expression," I can say that my first year as principal has certainly been a pleasant one, and I am looking to the future at Norwalk High School with enthusiasm and anticipation.

Mr. Laurance McKenna is Norwalk High's assistant principal. He and his secretary, Mrs. Shirley Walker, work together to make Norwalk High the fine school it is. Mr. McKenna has many responsibilities. During the 1968-69 school year on the campus, his time was spent supervising classroom procedures and ordering all materials to be used by the faculty. He also assisted the principal, Mr. Beckett, and the counselors in class scheduling. The curriculum of Norwalk High was also in his charge. His off-campus responsibilities included representing Norwalk High School at district and inter-district meetings.

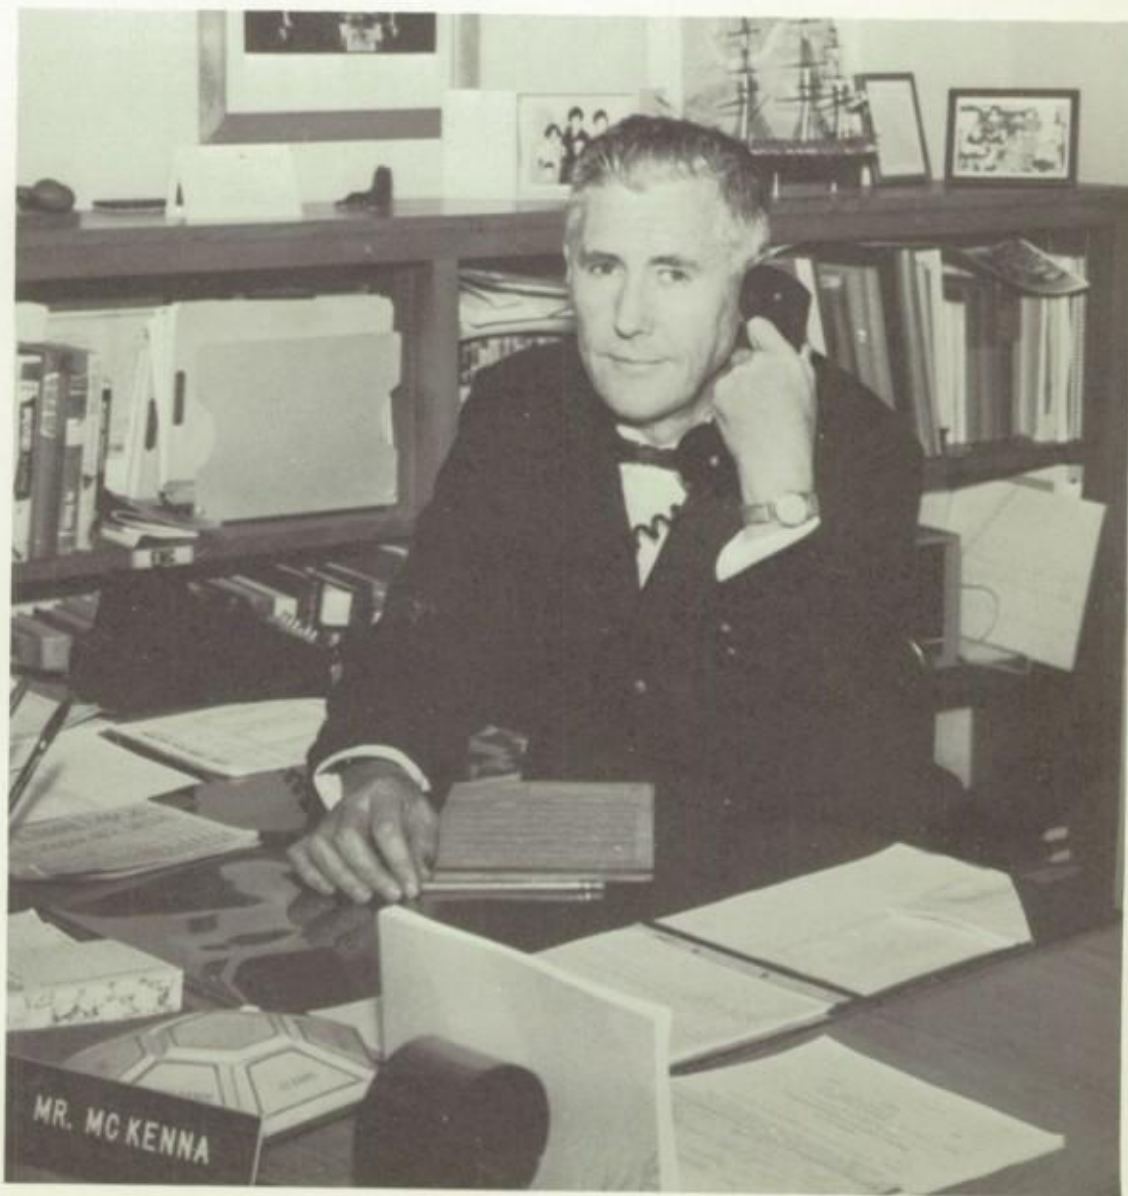

Ordering instructional supplies requires a great deal of Mr. McKenna's and Mrs. Walker's working day.

Mr. Kimball and Mr. Beckett pause from their busy schedules to enjoy a copy of the VOICE.

As the vice principals of NHS, Mr. Kimball and Mrs. Craig deal primarily with carrying out school policies of discipline. Other duties include supervising school activities, keeping merit records, and working with parents and outside agencies for the betterment of the students. Mrs. Davis and Mrs. Tuthill, their secretaries, aid them in their demanding jobs.

Mrs. Craig is capably assisted by Mrs. Tuthill in keeping her appointment book organized.

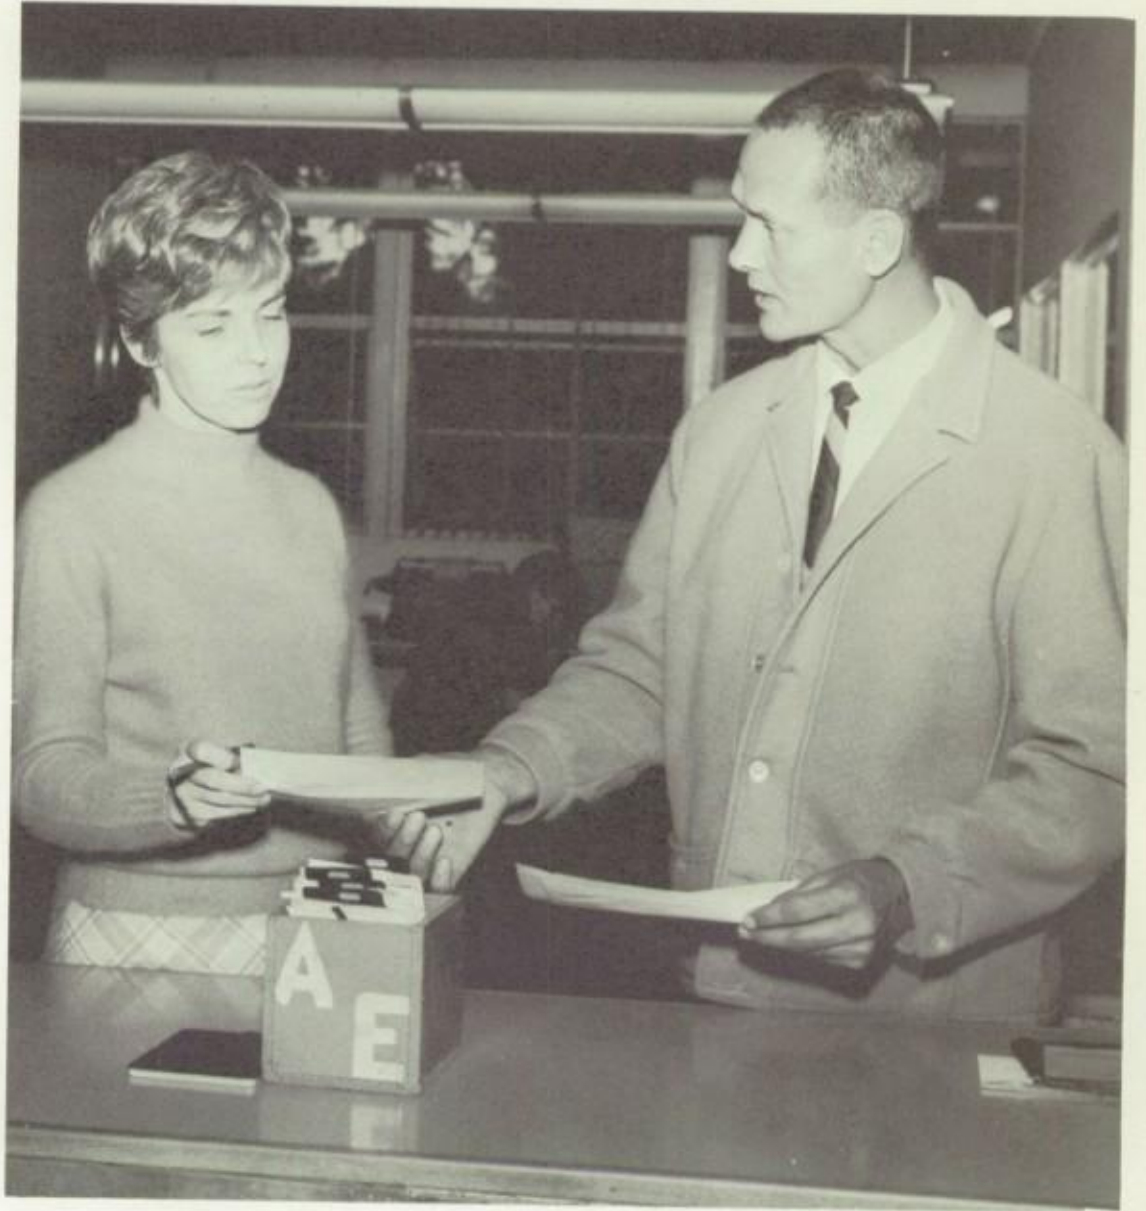

Mrs. Davis assures Mr. Kimball that the students' files are in order.

Mrs. LaDoyne Craig checks the master calendar for approaching activities.

direct school procedures

The attendance office is one of the busiest spots on campus. The daily roll is kept and tabulated here. Truancies, tardies, and absences take up a great deal of time. Students are given two days to bring a note to "clear a cut." Three tardies are allowed and then a letter of warning is sent home. Both tardies and truancies may end in suspension or demerits. These are but two of the many jobs in the attendance office. The attendance director, Mr. Don Sondergard, has a difficult job. With his secretary, Mrs. Darlene Henry, he has done a fine job for NHS.

Mr. Don Sondergard, director of attendance, is aided by his secretary, Mrs. Darlene Henry, in filling out call slips.

The counselors' job is to help students find the program that is most suitable and beneficial to them. Much work is involved with the many program changes that are made. Students are encouraged to see their respective counselors when problems arise on campus. NHS is proud of its counselors and the fine work they do.

Learning about bodily functions, anatomy and health in general constitutes the one-semester course in Health. The other semester, Safety, includes the study of tobacco, alcohol, and narcotics. The students also have drivers' education and behind-the-wheel training in which they have the chance to drive a car while learning.

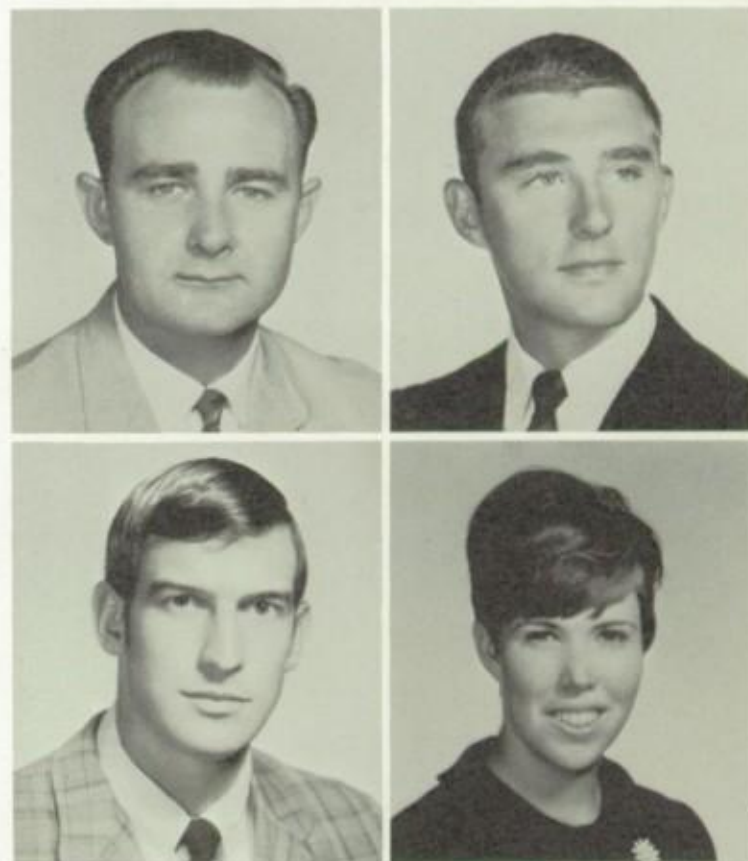

Mr. Mouw explains to his Safety class the mechanics involved in driving a car.

Mr. Lefler, a 1964 graduate of NHS, instructs General Science.

SCIENCE

The Science Department is designed to prepare students for the increasingly technical world by giving them an understanding of the scientific principles in the latest advances. General Science is the freshman course that meets graduation requirements. Science Survey is a course for make-up or as an elective and also meets the graduation requirements. The lab sciences—Biology, Chemistry, and Physics—are college preparatory classes.

FINE ARTS

Norwalk High is excellently represented at assemblies, concerts, and intramural competition by the Fine Arts Department.

Fine Arts courses include Speech, Drama, Art, Girls' Glee, Choir, Madrigals, Intermediate Band, Dance Band, and the Lancer Marching Band.

FOREIGN LANGUAGE

The first year of a language course in French, German, or Spanish is spent primarily developing vocabulary. Concentration during the following years is on verb usage and literature.

Speaking skills are encouraged by the use of the language lab.

SPECIAL EDUCATION AND MILITARY SCIENCE

Special education classes are for the students who are not able to take advantage of the regular curriculum at NHS. The students are encouraged to stay in school and learn at a slower pace. As a result, they are able to graduate with their class.

The Military Science course, or Cal Cadets, is to introduce young men to the armed services. The NHS 1968-69 rifle team was top rated.

Mrs. Wheeler is ready with a smile to help students and faculty.

Mrs. Gygax routinely calls a parent for information about a student's health.

Mrs. Fran Gygax, the school nurse, has the very busy job of seeing to the physical needs of the NHS students.

Mrs. Dona Wheeler is the bookroom clerk who is in charge of all the textbooks at NHS. She also duplicates papers for faculty members.

Mr. Cam Card is the school's psychologist. He gives tests and does individual counseling.

The secretaries at NHS all work very hard. Mrs. Bottema sees to all monies coming in and going out of NHS. Mrs. Campbell keeps the records of the library and assists the librarian. Mrs. Galstead keeps the students' records in order.

Mr. Card supervises a classroom test.

Services prove
indispensable to
maintenance of NHS

Mrs. Coburn is always willing to lend assistance to students in the library.

This year NHS has a "new" library. It was remodeled and refurbished after last year's fire. This included a new color scheme and a conference room being added. The library also has three new magazines, two sociological and one psychological. The librarian, Mrs. Nancy Coburn, meets once a month with an organization called Young Adult Reviewers. Many books were recommended there and, in turn, were added to the library. Twelve hundred new books were added this year bringing the total to 12,500 books, making the NHS library the largest in the district.

The people on this page all contribute to making the school run more smoothly. Mrs. Janet Fleshner, the "lady in the cage," keeps the Girls' P. E. equipment in top shape. Our fine custodial staff maintains the campus. The cafeteria workers prepare and serve the food and also help in the Food Service class.

a challenging season

If you were to watch one of the Cee's games this year, you would have seen a very good game. Except for four plays, the team played an exceptionally good season of football. To see a Cee game would have proved to be an experience. The Cee's had a perfect record until they came to Santa Fe. The Cee's had a lot of hustle and a lot of skill, and most important, they knew how to use it. The Cee squad showed ingenuity on both offense and on defense. The Cee's won 5 of their games, lost 3 games, and tied one.

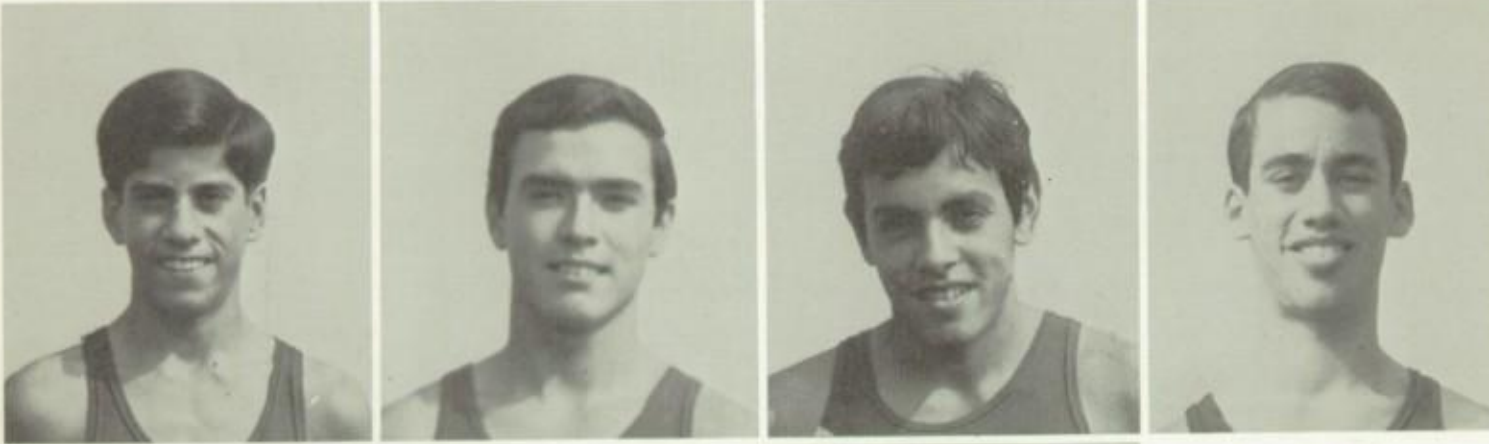

As you can see, the Cee's had a tough season.

The Varsity team, coached by Mr. Quayle, had a hard time getting started this year. After the team got started, they showed that they were a team that could handle the ball and that they had great skill and accuracy. The Varsity team had a fair season of polo this year. Out of 14 games that they played, 8 were wins, and 6 were losses.

Starting out the basketball season this year, the Varsity team had a four wins and no loss record. After the first four games, however, the team ran into a little trouble which upset its record. After a few hard games, the team had its comebacks, and it went on to win the Norwalk tournament with ease. Altogether the basketball season was a very successful season, both for the players and the audience.

Hoopsters rally

This year the Junior Varsity team had a very fine season. The team started out the season with great skill and precision and kept up its spirit through every game. After the J.V. team fought its way through a tough season, it ended up with a very good record.

The Bee team had a challenging season. Although it started out on the wrong foot, the overall season was very successful.

Head Senior Advisor Mr. Wong discusses some of the upcoming plans and activities with Doug and Lynn as the final details are set.

Errol extends the Senior Class's congratulations with red roses to Homecoming Queen Lynne Bottema.

Senior officers work for better year

Senior Class officers this year were President, Doug Roy; Vice President, Errol Calder; Secretary, Lynn Anderson; Treasurer, Margaret Garcia; and Historian, Sandy Thompson. These officers were responsible for making several of the school year's activities turn out so well. Some of the activities were Homecoming, Ditch Day, Baccalaureate, and the All-Night Party. They also sponsored a school dance as well as several bottle and paper drives.

It is an honor to become a Sealbearer, and Norwalk High is proud of those who attain this standard. In order to become a Sealbearer, it is necessary to make CSF for four semesters, including one semester during the senior year.

The California Scholastic Federation, an honorary academic organization, requires at least 3 A's, 1 B and no grade lower than a C, excluding P.E., to become a member. Seniors who met Sealbearer requirements second semester are not pictured.

Senior year

Five hundred spirited and alert juniors began assuming their role as upperclassmen in September by sponsoring the annual Howdy Hop.

With the assistance of Miss Holt, Junior Class advisor, the cabinet and interested juniors began making plans for the various fund-raising projects of the year. The cabinet consisted of President Charles Silverthorne, Vice-President Margo Hashimura, Secretary Janet Rico, Treasurer Janice Grabek, and Historian Suzanne Anderson.

Juniors received their class rings in October. Members of the Class of 1970 sponsored a money-making dance at the end of first semester. The project netted enough money to host the Junior-Senior Prom at the Lakewood Country Club.

Under the leadership of President Neal Sanborn, Vice-President Sandy Tsubokawa, Secretary Sally Riddoch, Treasurer Sue Allen, and Historian Bev Stowell, the Sophomore Class had a very busy year.

The chief money-making project of the Sophomore Class was the annual candy sale in March. As a step toward becoming upperclassmen, sophomores selected their class rings.

With the guidance of head advisor Mr. Midyett, the officers have made this a very memorable year for the Sophomore Class.

The Freshman Class has been an enthusiastic group on campus this year. With Mrs. Wells as advisor, the class elected Denise Hidalgo as its president. Other officers were Yvonne Moye, vice-president; Denise Diplock, secretary; Terri Carroll, treasurer; and Dorlena Watson, historian.

Included in its money-making projects was a Valentine candy sale. As the 1968-69 school year came to a close, class members had already started making plans for their next three years at Norwalk High School.

Singing . . .

Dancing . . .

Talking . . .

Relaxing . . .

Throughout the United States is heard the cry for change of antiquated life styles. Revolution is now! It is all too apparent in our country. However, changes cannot be adequately made without compromise among the radicals, the conservatives, and those who stand between.

Many people are so engrossed with trivial details of living that they are oblivious to and without understanding for those who want more than mere existence. The lack of tolerance on both sides creates a greater gap in understanding. Individuals must grasp that they cannot change "the establishment" alone, and "the establishment" must realize that each individual needs the right to express himself in his own way.

The staff of the 1968-69 EL LANCERO has tried to include both the forms of new expression and the set standards of Norwalk High in this year's annual. Each has its good and bad, each must try to have tolerance for the other, and each must expect further change in the form of continually new expression.

Don't Write On This Page
Because Jeannette Is...

Pat - this is me. I'm finally going to write in your annual. (It's only been over a year since we got them) but I'm going to now. I think it's so nice being married to you and I think we have the cutest little girl there is. This past year and a half has gone by so fast and so many wonderful things have happened to us. I just know we'll have a ~~real~~ really nice life together because so far it's just been fabulous. I think you're really a great husband and a real neat dad! I can't think of anything else to write because everything else I tell you everyday.

I'll Love you Always
Jeannette,

your wife!...

xxooxx

Pat
It's been
great knowing you
and I'll be seeing
you around Greg
